**253 acres bordering the Halfway River. (This photo is looking south toward the river from the old homestead.)**

**INDIAN RESERVE RANCH  
FT. ST. JOHN  
BRITISH COLUMBIA, CANADA**

**Top: View of old homestead buildings.  
Bottom: View of old corrals taken from one of the homestead buildings.**

Above is a view of the Halfway River running wild and free. In walking from the homestead buildings to the river to take this photo, it was obvious that this area was a habitat for lots of moose. Also in the area are elk, bear, eagles, wolves, and waterfowl. Fishing is fabulous in the river. Zoie, our director of Public Relations, is pictured above. Asking US \$125,000
